

It's my
birthday today
and I get to fly
a plane.

I know
exactly what
to pack in
my bag.

I don't know
where my
pilots
uniform is?

I really can't
wait to fly
high in the
sky.

I want to play
the game
dress up at
the airport.

I need a nap
before I fly
this plane
anywhere.

I did not like it
when my toy
aeroplane was
taken away.

I did not want
those bats
anywhere
near me.

That story
book was
really
spooky.

I wanted to fly
the plane, but
another pilot
was chosen.

I want to
give my
crew a big
hug.

Oh no! My
toy
aeroplane is
broken.

I wonder
how these
controls
work?

I don't need a
snack, I have
had my
in-flight meal.

I could not
believe, there
was a flock birds,
flying next to the
plane.

I feel so
down and I
don't know
why?

Whoops!
I just burped
in front of my
crew.

I want to eat
the biggest
bowl of ice-
cream.

I banged my head on the wing of the plane.

I did not expect that big bird to jump out.

I don't want to sing in front of the passengers.

I like sharing
my toy
planes with
my friends.

I was best at
landing the
plane out of
everyone.

I really like
working
with my
crew.
